

Volusia County LETR (Law Enforcement Torch Run) for Special Olympics
Tuesday, April 28, 2009 (East and West Routes)
PROPOSED AGENDA (as of 2/11/09)

Notes: Run times based on about 12 – 15 minute miles. **Each City police agency along the route will take the Torch from the last, and may transfer it to other organizations; each City will also provide intersection control as the LETR enters their jurisdiction.** Please gather at transfer points and line up about 15 minutes prior to the LETR's scheduled arrival. Do not allow the LETR to stretch-out. If you become too tired to keep up, "move-over/fall back" and/or grab a ride in any procession vehicle. Arrange for pick-up vehicles as necessary. Don't forget sun protection and water. Thanks.
